Most games offer a buy page or at least some sort of store where you can buy Robux in exchange for real money. But there are numerous other ways to earn free robux that I will be showing how you can do them!

In October 2014, ArenaNet announced that Guild Wars 2 will be fully free-to-play with no restrictions on level or content,[60][61] due to being released as a core game in China, where games must provide full unrestricted access or it cannot be published by the People's Republic of China's Ministry of Culture. Within a few months, the game had rebounded from the effects of these restrictions, as the player base had grown to exceed that of the Asia server.

In 2012 the company sponsored an event at the Children's Museum of Pittsburgh to raise money for charity (Watsi). This was called Roblox Builders Club: Mutliplayer Tournament which raised over \$6,000 for charity water.

Every year since 2011 Roblox has hosted a "Developer's Conference" at the language center of Carnegie Mellon University. In 2013 and 2015, the conference was held in Washington DC. It is usually held between late July and early August. The event includes a keynote from an important person of interest to Roblox developers (i.e., one of the founders).

Roblox claims that she was fired because they found out she was using her workplace computer to dig up personal information about her co-workers and this affected her job performance. However, she claims that the only reason they are saying this is because they found out about her blog post and didn't want the bad publicity. Roblox also provided an email that Chris sent to HR in May of 2017 regarding erratic hours. She says that it was just a single complaint and wasn't fired for it.
